Terms of Use

This License Agreement (hereinafter referred to as “Agreement”) between Safer-Networking Ltd. of Millroad, Greystones, Co. Wicklow, Ireland (hereinafter "Safer-Networking Ltd.") and the Customer (hereinafter referred to as the "Licensee") sets out the terms and conditions of Licensee's use of Spybot S&D software programs for non-commercial purposes, i.e. the “Private Edition” and the “Personal Edition”, including any additional components, e.g. Windows 7 PE®, updates, upgrades, modifications, revisions, copies, documentation and design data set out in the Schedule (the "Software").

§1 GRANT OF LICENSE.

1.1 The Software is copyrighted, trade secret and confidential information of Safer-Networking Ltd. or its Licensors who maintain exclusive title to all Software and retain all rights not expressly granted by this Agreement. Insofar as Software is supplied to Licensee (either in tangible or non tangible form) and subject to (i) the full payment of the License Fees, as the case may be, set out in the relevant Price List and (ii) depending on the Software obtained by Licensee, Safer-Networking Ltd. grants to Licensee a non-exclusive right to use the Software under the following conditions.

a) Spybot – Search & Destroy Private Edition

Licensee shall be entitled to download, install, and run the Private Edition Software for Licensee's non-commercial purposes. The number of clients, i.e. devices, on which the Personal Edition Software is used, is not restricted, as long as all are for non-commercial private use only.

b) Spybot – Search & Destroy Personal Edition

Licensee shall be entitled to run the Personal Edition for Licensee's non-commercial purposes. The number of clients, i.e. devices, on which the Personal Edition Software is used, is not restricted, as long as all are for non-commercial private use only.

The Personal Edition Software is distributed as a bootable Service CD that also contains a minimal Operating System (Windows 7 PE). For Windows 7 PE separate license terms apply (see Sec. 1.1.c))

The Personal Edition includes an installation file of the Private Edition.

c) Limited Operating System (Windows 7)

The Personal Edition may contain Windows software licensed from Microsoft Corporation and/or a Microsoft Affiliate(s) (“minimal Operating System”). It is expressly stated, that the minimal Operating System is not sold to Licensee and is provided “as is”. The Licensee may load and run the minimal Operating System only as a boot, diagnostic, disaster recovery, setup, restoration, emergency service, test and/or configuration utility program. The use of the minimal Operating System is restricted to one physical computer at a time. It is strictly prohibited to use the minimal Operating System as a general purpose

operating system or as a substitute for a fully functional version of any operating system product.

§2 LIMITED WARRANTY.

Safer-Networking Ltd. has endeavored to ensure that the Software does not contain any backdoors or content to intentionally harm the Licensee. Safer-Networking Ltd. does not warrant that:

1. the Software corresponds with its description in any advertising, marketing or other documentation howsoever published by it, its servants or agents or by third parties about the Software;
2. the Software is merchantable and fit for the purpose for which the Licensee has contracted this agreement and the use of the Software nor that it will meet the Licensee's requirements;
3. the Software is free of defects and that its use or operation will be error-free and free of interruption or down time.

Safer Networking Ltd. has no liability to the Licensee for any representations made about the Software and it disclaims any liability to the Licensee, its assignees, permitted or otherwise, and invitees for all loss and costs, if any, which may be claimed to have been suffered by anyone as a result of the use of the Software the subject of this Agreement.

§3 DOCUMENTATION AND UPDATES.

Safer-Networking Ltd. provides the necessary user documentation of the Software. This may also be provided electronically, e.g. by provision on the Internet. Safer-Networking Ltd. has no contractual obligation to provide regular updates and the provision of updates does not constitute any such contractual obligation of Safer-Networking Ltd.

§4. RESTRICTIONS

4.1 Safer-Networking Ltd. does not authorize all or any portion of the Personal Edition or the minimal Operating System to be "issued to the Public", "put into circulation", or subject to a "first sale" as the copyright laws may use those (or similar) terms. Licensee is not allowed to distribute, sell, sublicense, lease, rent, loan or otherwise transfer the Personal Edition Software or the minimal Operating System to a third party. Licensee may distribute the Private Edition Software only for non-commercial purposes. It is expressly prohibited to sell the Private Edition Software or parts of it to a third party, For the avoidance of doubt this also applies to any forms of bundling the Private Edition Software with any third party software.

4.2 All Software will be supplied and may be used in object code form only. Except as otherwise permitted for purposes of interoperability as specified by applicable and mandatory law, Licensee shall not reverse-assemble, reverse-compile, reverse-engineer or in any way derive from Software any source code or decrypt the database.

4.3 Licensee shall not remove alphanumeric identification characters, trademarks and copyright notices.

4.4 Licensee may copy Software only as reasonably necessary to support the authorized use and may make necessary backup copies. Each copy must include all notices and legends embedded in Software and affixed to its medium and container as received from Safer-Networking Ltd.

4.5 The provisions of this Section 4 shall survive the termination or expiration of this Agreement.

§5 CANCELLATION OF CONTRACT

This agreement may be cancelled by the Licensee for whatever reason without any penalty or charge within seven days of receipt by the Licensee of the Software the subject of this agreement by written notice of cancellation from the Licensee to Safer-Networking Ltd. at its above address and the return to Safer-Networking Ltd. at the said address of the Software received by the Licensee on the giving of such notice of cancellation.

§6 FEES.

6.1 The Private Edition Software can be obtained by Licensee free of charge. Licence fees for the Personal Edition Software, which contains the minimal Operating System are laid down in the Price List and shall be payable in advance in Euros (USD if Licensee is located in USA or Canada). If Software is delivered to Licensee on a data storage medium (e.g. CD-ROM) additional shipping costs may apply.

6.2 If the use of the minimal Operating System at any time exceeds the maximum number of licenses granted to Licensee under this Agreement Licensee shall pay to Safer-Networking Ltd. the applicable additional License Fee so arising at the rates in the Price List. The number of the minimal Operating Systems licenses granted shall be deemed to be adjusted accordingly on payment by the Licensee of the applicable additional License Fee.

6.3 The License Fees and other charges from Safer-Networking Ltd. are due when invoiced and payable within 14 calendar days of the receipt of invoice by the Licensee.

6.4 The License Fee and all other charges are exclusive of VAT and all other Taxation, which shall, if applicable, be chargeable to the Licensee.

§7 INSTALLATION AND SUPPORT.

7.1 Licensee is responsible for installation and use of the software. Support issues of the Licensee will be handled solely by Safer-Networking Ltd. and not by any of its Licensors. Available support consists of email support and user forum. Phone support information is given on safer-networking.org.

7.2 THE MINIMAL OPERATING SYSTEM CONTAINS A TIME-OUT FEATURE THAT WILL AUTOMATICALLY REBOOT THE DEVICE AFTER SEVENTY-TWO HOURS OF CONTINUOUS USE. THIS TIME-OUT FEATURE WILL RESET EACH TIME THE COMPONENT IS RE-LAUNCHED.

§8 SPECIFICATION OF THE SOFTWARE.

The Software is designed to scan for software that poses a threat to the privacy of the user of a computer ("Malware"). While the Software endeavours to detect known Malware, not all Malware will be detected. Spybot Search & Destroy software runs on Windows computers running 2000, XP, 2003 Server, Vista, 2008 Server or Windows 7 only.

§ 9 LIMITATION OF REMEDIES AND DAMAGES

Any and all liability of Microsoft Ireland Operations Ltd. and its affiliates related to the Software, especially to the Minimal Operating System is excluded.

§10 EXPORT.

Software may be subject from time to time to regulation by local laws and European Union export regulations, which prohibit export or diversion of certain products, information about the products, and direct products of the products to certain countries and certain persons. The Minimal Operating System is subject to U.S. export restrictions. Licensee agrees that Licensee will not export any Software or direct product of Software in any manner without first obtaining all necessary approval from appropriate local and European Union government agencies.

§11 GOVERNING LAW AND JURISDICTION.

This Agreement shall be governed by and construed under the laws of Ireland. All disputes arising out of or in relation to this Agreement shall be submitted to the exclusive jurisdiction of the courts of Ireland. This section shall not restrict Safer-Networking Ltd.'s right to bring an action against Licensee in the jurisdiction where Licensee's place of business is located.

§12 SEVERABILITY.

If any provision of this Agreement is determined by a court to be or becomes invalid, unenforceable or illegal, such provision shall be (i) modified to be made valid, enforceable and legal in such a manner as to best effectuate the intent of the parties at the inception of this Agreement; or (ii) be deemed eliminated where such modification is not practicable; and (iii) the remainder of this Agreement shall remain in effect in accordance with its terms as modified by such modification or deletion.

§13 PRIVACY

Even though Spybot Search & Destroy scans Licensee's system, it will not search specifically for any personally identifiable information. Everything that is not detected as a possible threat or usage tracks will be ignored. Possible threats and usage tracks will be shown and, if log options are switched on, written to a log file that may reside on an intranet server depending on the installation. For further information please visit <http://www.safer-networking.org>.

§14 MISCELLANEOUS.

This Agreement sets forth the entire understanding and agreement of the parties regarding the subject matter hereof, and supersedes all prior agreements or representations, oral or written regarding such subject matter. This Agreement may not be modified or amended except in writing signed by a duly authorized representative of the party against whom enforcement is sought.
